

## it's Getting Better

**D G A** x2

**D** **A**  
Once I believed that when love came to me  
**D** **A**  
It would come with rockets, bells and poetry  
**F#7** **Bm**  
But with me and you  
**G** **Em** **A** **A/G**  
it just started quietly and grew  
**D/F#** **G**  
And believe it or not  
**D** **Bm** **G**  
Now there's something groovy and good  
**A** **D**  
Bout whatever we got

**N.C.** **Em/A** **A**  
Cause it's getting better  
**F#m** **Bm**  
Growing stronger  
**Em** **A**  
warm and wilder  
**D** **G** **A** **D** **G** **A**  
Getting better everyday, better everyday

**D** **A**  
I don't feel all turned on and starry eyed  
**D** **A**  
I just feel a sweet contentment deep inside  
**F#7** **Bm**  
Holding you at night  
**G** **Em** **A** **A/G**  
just seems kind of natural and right  
**D/F#** **G**  
And it's not hard to see  
**D** **Bm** **G** **A** **D**  
That it isn't half of what it's going to turn out to be

**N.C.** **Em/A** **A**  
And it's getting better  
**F#m** **Bm**  
Growing stronger  
**Em** **A**  
warm and wilder  
**D** **G** **A** **D** **G** **A**  
Getting better everyday, better everyday
