

**Em D**

[Verse 1]

**D**

I know I stand in line until you think

**Em****A7****Em A7**

You have the time to spend an evening with me

**Em****A7****Em**

And if we go some place to dance I know that

**A7****D**

There's a chance you won't be leaving with me

[Chorus]

**D**

And afterwards we drop into a quiet little place

**G****Bb**

And have a drink or two

**Em****A7****Em**

And then I go and spoil it all by saying

**A7****D**

Something stupid like I love you

[Bridge]

**D**

I can see it in your eyes that you despise

**G**

The same old lines you heard the night before

**E**

And though it's just a line to you for me it's true

**A**

And never seemed so right before

[Verse 2]

**D**

I practice everyday to find some clever lines

**Em****A7****Em****A7**

To say to make the meaning come true

**Em****A7****Em****A7**

But then I think I'll wait until the evening gets late

**D**

And I'm alone with you

[Chorus]

**D**

The time is right your perfume fills my head

**G****Bb**

The stars get red and oh, the night's so blue
