

Take Me Home, Country Roads  
by John Denver

Capo 2

[Verse]

**G**                   **Em**                   **D**                   **C**  
**G**

Almost Heaven, West Virginia, Blue Ridge Mountains,  
Shenandoah River.

**G**                   **Em**                   **D**  
**C**

Life is old there, older than the trees, younger than the  
mountains, blowin

**G**  
like a breeze.

[Chorus]

**G**                   **D7**                   **Em**                   **C**  
Country Roads, take me home, to the place I belong  
**G**                   **D**                   **C**                   **G**  
West Virginia, mountain mama, take me home, country roads.

[Verse 2]

**G**                   **Em**                   **D**                   **C**  
All my memories gather round her, miner's lady, stranger to  
blue

**G**  
water.

**G**                   **Em**                   **D**  
**C**

Dark and dusty, painted on the sky, misty taste of moonshine,  
teardrop in my

**G**  
eye.

[Chorus]

**G**                   **D7**                   **Em**                   **C**  
Country Roads, take me home, to the place I belong  
**G**                   **D**                   **C**                   **G**  
West Virginia, mountain mama, take me home, country roads.

[Bridge]

**Em**                   **D7/F#**                   **G**

I hear her voice in the morning hours she calls me

**C**                   **G**                   **D**

the radio reminds me of my home far away.

**Em**                   **F**                   **C**                   **G**

And driving down the road I get a feeling that I should have been home

**D**                   **D7**

yesterday, yesterday.

[Chorus]

**G**                   **D7**                   **Em**                   **C**

Country Roads, take me home, to the place I belong

**G**                   **D**                   **C**                   **G**

West Virginia, mountain mama, take me home, country roads.

[Chorus]

**G**                   **D7**                   **Em**                   **C**

Country Roads, take me home, to the place I belong

**G**                   **D**                   **C**                   **G**

West Virginia, mountain mama, take me home, country roads.

[Outro]

**D**                   **G**

Take me home, country roads.

**D**                   **G**

Take me home, country roads.
