

Broken Heart

Sometimes I feel a little angry,
sometimes I feel a little blue
But whatever I do, it's got nothing to do with you
And I said this right from the start

CH

**I'm not gonna leave you with a broken heart
I'm not gonna leave you with a broken heart
I'm never gonna leave you with a broken heart
Because your mine**

Sometimes I feel a little anxious
And I might say some words unkind
But whatever it takes, we both
make the same mistakes
And I say this right from my heart

CH

**Ahh.....Ahh
Ahh.....Ahh**

Sometimes I feel a little angry,
sometimes I feel a little blue
But whatever I do, it's got nothing to do with you
And I said this right from the start

CH

**Ahh.....Ahh
Ahh.....Ahh
Ahh.....Ahh
Ahh.....Ahh**
