

[Intro] **Am** **E** **G** **D** x2

Am **E**
Now baby come on
G **D** **Am**
Don't claim that love you never let me feel
E
I should have known
G **D**
'Cause you've brought nothing real
Am
Come on be a man about it
E
You won't die
F **E**
I ain't got no more tears to cry
Am **E**
And I can't take this no more
F **E**
You know I gotta let it go

And you know

[Chorus]

Am
I'm outta love
E
Set me free
G **D**
And let me out this misery
Am **E**
Just show me the way to get my life again
G **D**
'Cause you can't handle me
Am
I said I'm outta love

E
Can't you see

F **E**
Baby that you gotta set me free
Am
I'm outta love

Yeah

[Verse 2]

Am **E**
Said how many times
G **D** **Am**
Have I tried to turn this love around?
E
But every time
G **D**
You just let me down
Am
Come on be a man about it
E
You'll survive
F **E**
True that you can work it out all right
Am
Tell me, yesterday
E
Did you know?
F **E**
I'd be the one to let you go?

And you know

[Chorus]

Am
I'm outta love
E
Set me free
G **D**
And let me out this misery

Am **E**
Just show me the way to get my life again
G **D**
'Cause you can't handle me

Am
I said I'm outta love

E
Can't you see

F **E**
Baby that you gotta set me free

F
I'm outta love
