A/B

I can't fool myself, I don't want nobody else to ever love me

G/A

You are my shinin' star, my guiding light, my love fantasy

A/B

There's not a minute, hour, day or night that I don't love you

G/A

You're at the top of my list 'cause I'm always thinkin' of you

A/B

I still remember in the days when I scared to touch you

G/A

How I spent my day dreamin' plannin' how to say I love you

A/B

You must have known that I had feelings deep enough to swim in

G/A

That's when you opened up your heart and you told me to come in

[Chorus]

Em7

Oh, my love

Hung up the phone can't be too late the boss is so demanding

G/A

Open the door up and to my surprise there you were standing

Who needs to go to work to hustle for another dollar

G/A

I'd rather be with you cos you make my life scream and holler

Love is a gamble that I'm so-oo glad that I am winning

We've come a long way and yet this is only the beginning
