It Must Be Love

[Verse]
```
       Am
 I never thought  I'd miss you
                    G    C   G - G#m
 half as much as I do
Am
 And I never thought  I'd feel this way,
Am                         G C/G G C/G - D
 the way I feel about you

Em    A7
 As soon as I wake up
      Dm7
every night
      E7
every day
Am                  Am/G
 I know that it's you I need
   D7/F#
to take the blues away
```

[Chorus]
```
G             Bm7   C    C - D
 It must be  love, love, love
G           Bm7   C     C - D
 It must be love, love, love
C/G          D/A
nothing more, nothing less,
C/G
love is the best
```

[Bridge]
```
Am
 How can it be that we can
Am                        G    C   G - G#m
 say so much without words
Am
 Bless you and bless me
Am                             G C/G G C/G - D
 Bless the bees and the birds
```
