

[Verse 1]

E

Drinking in the morning sun

Aadd9/E

Blinking in the morning sun

Badd11/E

Shaking off the heavy one

Aadd9/E

Heavy like a loaded gun

E

What made me behave that way?

Aadd9/E

Using words I never say

Aadd9/E

I can only think it must be love

Aadd9/E

Oh, anyway

Aadd9/E

E

It's looking like a beautiful day

E

Someone tell me how I feel

Aadd9/E

It's silly wrong but vivid right

Aadd9/E

Oh, kiss me like the final meal

Aadd9/E

Badd11/E

Yeah, kiss me like we die tonight

[Chorus]

E

Cause holy cow I love your eyes

Aadd9/E

And only now I see the light

Aadd9/E

Yeah lying with you half-awake

Aadd9/E

Oh, anyway

Aadd9/E

E

It's looking like a beautiful day

One Day Like This

[Verse 2]

E
When my face is chamois-creased
Aadd9/E
If you think I'll wink, I did
Badd11/E
Laugh politely at repeats
Aadd9/E
Yeah, kiss me when my lips are thin

[Chorus]

E
Cause holy cow I love your eyes
Aadd9/E
And only now I see the light
Aadd9/E
Yeah lying with me half-awake
Aadd9/E
Stumbling over what to say
Aadd9/E
Oh, anyway
Aadd9/E E
It's looking like a beautiful day

[Outro]

E Aadd9/E
So throw those curtains wide
Aadd9/E E
One day like this a year would see me right

E Aadd9/E
So throw those curtains wide
Aadd9/E E
One day like this a year would see me right

E D6add9/E
So throw those curtains wide
Aadd9/E E
One day like this a year would see me right

E D6add9/E
So throw those curtains wide
Aadd9/E E
One day like this a year would see me right
(repeat)
